Introduction

Etienne Hirsch

Head of PwC Academy

+352 49 48 48 6022

etienne.hirsch@pwc.lu

In today's dynamic economy, understanding and applying IFRS is essential for accurately assessing financial performance. For many companies, adopting IFRS transforms how financial information is presented, impacts organisational processes, and influences key performance metrics. For those already transitioned, IFRS standards continues to evolve, requiring ongoing learning and adaptation.

Your reasons why

Industry specific and topic-based pathways.

Complementary building blocks to customise learning for individuals and teams.

Solutions tailored from junior staff to executives and board members.

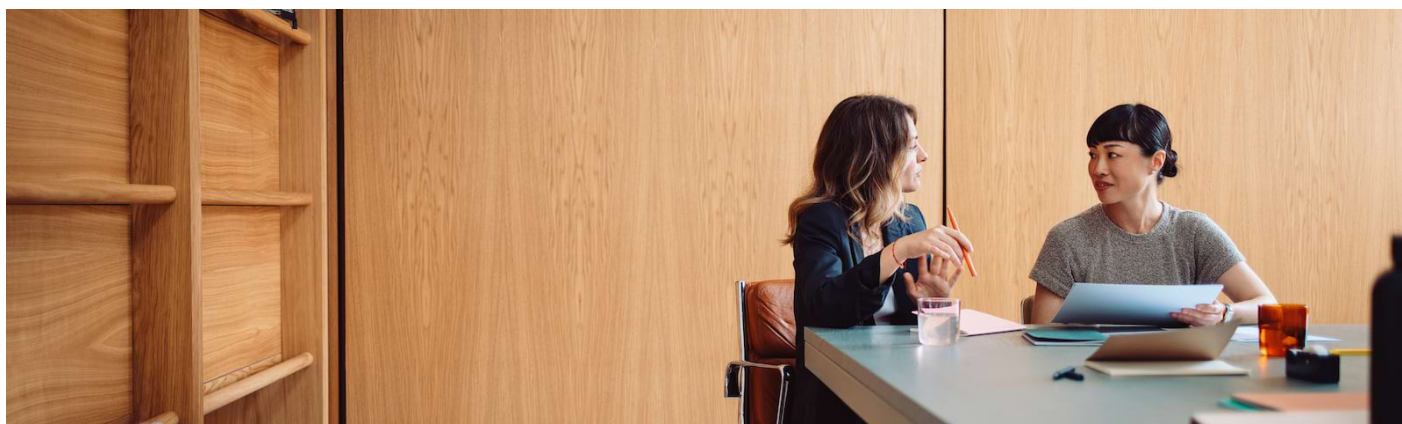

Multiple formats including class-room sessions and live webinars.

Options to take full programmes or individual modules aligned with your goals.

Objectives

By the end of this curriculum, participants will:

- understand IFRS impact across industries;
- anticipate IFRS implementation in your sector;
- identify industry-specific IFRS challenges;
- apply IFRS knowledge practically in financial preparation;

Made of complementary and modular building blocks, our curriculum will help you identify the best learning experience for you and your teams. They are proposed as comprehensive training programmes, but individual training modules can also be selected as standalone courses to meet specific needs. PwC Academy can help you create a customised pathway to align with your objectives.
